

# SERVICE PROJECTS

## (FORMERLY VICTOR, CRANES, AND HOMEWOOD FLOSSMOOR)

1. What do you think the impact on the school would be if everyone got behind a project that helped someone in your school or community?
2. Brainstorm ideas of such projects. Who do you know that could use a pick-me-up?
3. Do you think your school could duplicate this project? Remember you don't need to use a theater; a gym with a big screen or your school theater could work too.
4. What kind of impact do you think this would have on the young kids? How about the impact on the mentors?
